Hi Jameel,

Just wanted to touch base with you on potentially using data from the OOOOa compliance reports for the policy reconsideration. Reports up until November 21, 2017 have been released as part of a FOIA request (link below):

<https://foiaonline.regulations.gov/foia/action/public/view/request?objectId=090004d28171d08c>

I've attached a few reports from Regions 3, 6, and 8 just to give you a feel for what's in the reports, what they look like, and how they're structured. Let me know if you have any questions or if this date/time doesn't work out.

Thanks so much,
Jonathan
